SELECTED PROJECTS

HYPER-CASUAL ARCADE WEB HUB

2026

React · Tailwind CSS · Phaser · Mobile-First

- Architected and shipped a responsive 6-game arcade hub (Snake, 2048, Block Slide, and others) optimised for both desktop and mobile touch interfaces.
- Engineered Phaser game logic within a React component architecture, maintaining clean separation of concerns between UI shell and game engine.

DIGITAL EVENT APPLICATION – "SAVE THE DATE"

2026

Next.js · Tailwind CSS · Firebase

- Developed a custom event web application featuring interactive countdown components, RSVP functionality, and cohesive event branding.
- Delivered a fully responsive layout optimised for cross-device usability and load performance.

WORK EXPERIENCE

FREELANCE DESIGNER & FRONT-END DEVELOPER

January 2023 – Present

D'SEIKOU · Self-Employed · Pretoria, Gauteng

- Build and deploy responsive web applications for clients using React, Next.js, and Tailwind CSS, implementing designs from Figma into clean, component-based front-end code.

- Integrate REST APIs and third-party services, including Firebase, to power dynamic content, authentication, and data-driven features.
- Optimise application performance through code-splitting, lazy loading, and asset optimisation, improving load times and Core Web Vitals scores.
- Maintain version-controlled codebases using Git and GitHub, following collaborative branching and code review workflows across projects.

CONTENT CREATOR & DIGITAL DESIGNER

January 2022 – January 2023

[TILT](#) · [Agency](#) · [Hybrid](#)

- Built and formatted digital assets for web delivery, ensuring cross-device compatibility and consistent rendering across screen sizes and browsers.
- Implemented brand and layout guidelines within web-based content for clients including Pizza Hut, working to platform-specific technical constraints.

AMBASSADOR, HUAWEI ICT ACADEMY

June 2022 – December 2022

[Huawei](#) · [Hybrid](#)

- Served as a key representative between corporate and academic stakeholders, increasing Academy programme visibility by 30%.
- Developed communication strategies to expand the Academy's reach across tertiary institutions in Gauteng.
