PROFESSIONAL SUMMARY

Multimedia Designer with 3+ years of experience building brand identities, marketing collateral, and motion graphics for clients across print and digital platforms. Fluent in the full Adobe Creative Suite — Illustrator, Photoshop, InDesign, After Effects, and Premiere Pro — with a strong visual storytelling sensibility grounded in formal design and typography training. Delivers polished, on-brand creative from concept through final production, for both agency campaigns and independent client work.

WORK EXPERIENCE

FREELANCE MULTIMEDIA DESIGNER

January 2023 – Present

D'SEIKOU · Self-Employed · Pretoria, Gauteng

- Develop end-to-end brand identities — logo systems, colour palettes, and typography — for a diverse client portfolio spanning fashion, events, and small business.
- Design marketing collateral for print and digital, including packaging, social templates, flyers, and campaign assets, applying consistent visual identity across every touchpoint.
- Produce short-form video content and motion graphics using Adobe After Effects and Premiere Pro for client social media campaigns.
- Manage complete project lifecycles — from creative brief through concept, revision, and final production — ensuring consistent, high-quality output within agreed timelines.

CONTENT CREATOR

January 2022 – January 2023

TILT · Agency · Hybrid

- Produced branded graphics and short-form video content for social media campaigns for clients including Pizza Hut, translating creative concepts into polished visual assets.
- Applied brand guidelines consistently across digital and print deliverables, maintaining visual identity integrity across every campaign.
- Delivered platform-optimised assets that met engagement and performance targets, collaborating with account managers to align creative with campaign goals.
